While on the topic of outdoor adventures...

BALOO (Basic Adult Leader Outdoor Orientation) training is coming up on September 24th.

This one day course is designed as an introduction to the Cub Scout outdoor program for those leaders who are interested in adding a camping component to their Pack activities. BALOO is an instructor-led course which is conducted at the Council level. BSA's Cub Scout level camping policies will be taught along with the necessary tools to help units carry out a successful camping experience.

Completion of this course is mandatory for at least one adult on a Pack overnighter.
